Dated: 18.09.2014

Dear Dr. Meena,

First of all, I take the opportunity to congratulate you along with teachers, staff and students of your Vidyalaya for such an excellent performance in All India Secondary School Examination 2014 conducted by Central Board of Secondary Education. It is the reflection of hard work of your students and sincere efforts of all the staff of school that 100% percent students passed in the board examination.

The entire school community deserves appreciation for their role in achieving such a feat and your role as the leader in the school is extremely significant. For this I once again congratulate you and your team on behalf of the KVS family.

At this occasion, I take the opportunity to mention that achievement comes with a sense of responsibility to sustain the same. Therefore, I sincerely hope that there will be similar rather more vigorous efforts by you and your team not only to sustain this year's achievements but to improve it qualitatively by bringing more number of students in the higher grades.

I convey my best wishes for your efforts and endeavour.

With regards,

Yours sincerely,

Dinesh Kumar
